

APPENDIX F

VEHICLE PROCESSING CENTERS (VPCS) FOR SHIPPING – RECEIVING PRIVATELY-OWNED VEHICLES (POVS)

- A. This appendix provides information on VPCs for POV shipping. It also provides a list of VPCs located in the Continental United States (CONUS) and Outside the Continental United States (OCONUS) for the purpose of turn-in and pickup of POVs.
- B. POVs will be booked to the water port of embarkation and debarkation serving the member's/employee's ultimate duty station. Such movements may include land transit segments as authorized by regulation.
- C. The member/employee will be advised of the required delivery date (RDD) assigned to the POV shipment. If the member/employee elects an origin or destination VPC that extends the RDD, the impact will be explained to the member/employee.
- D. When making excess cost determinations, the designated CONUS/OCONUS VPC within the intent of the Joint Federal Travel Regulations, Paragraph U5410, Transportation, and the Joint Travel Regulations, Paragraph C11004, Authority, is the CONUS/OCONUS VPC nearest the old or new duty station or a CONUS/OCONUS VPC between the old or new duty station. Excess cost will be charged in those cases when the actual transportation cost to be incurred by the government exceeds the cost of transporting a POV between the CONUS/OCONUS VPC geographically closest to the member's/employee's old duty station and the VPC geographically closest to the member's/employee's new duty station, or to or from any CONUS/OCONUS VPC between the old and new duty stations.
- E. When the government has incurred excess transportation costs, collection of such costs will be made in accordance with regulations of the Service/Agency concerned.
- F. VPC information, to include directions and hours of operation for specific VPCs can be found on HQ MTMC web site <http://www.whereismypov.com/>.
- G. Refer to the Personal Property Consignment Guide (PPCIG), Volume II for specific instructions on overseas areas with POV restrictions. The PPCIG has a separate chapter on all countries. Information can be found on HQ MTMC web site <http://pweb.eta.mtmc.army.mil/ppcig/index.htm>
